

Town of Dovre
Right of Way Permit

Citizens Connected of New Auburn, WI, the Applicant, is hereby granted permission by the Town of Dovre ("Town") to install and maintain buried communications lines within the Town highway right-of-way, as shown on the plans attached hereto as Exhibit A ("Facilities") and made a part hereof.

Permission for installation and maintenance of the Facilities shall be subject to the following terms and conditions:

- (A) Installation, maintenance, relocation and removal of the Facilities shall be done in a manner satisfactory to the Town and in accordance with Exhibit A.
- (B) Applicant shall complete installation of the facilities no later than November 1, 2023. Applicant shall comply with all right of way excavation requirements of the Town, including use of traffic control devices during construction and installation of the facilities.
- (C) The Town shall not be liable for damage to Facilities resulting from reconstruction or maintenance of the right of way. **The Town will follow proper procedures in locating the Applicants Facilities including calling diggers hotline and using proper construction techniques when work is being performed near Applicant's Facilities.** Applicant shall indemnify and hold the Town harmless from injury to persons or damage to property resulting from the Facilities or construction or installation of the Facilities.
- (D) Applicant shall repair or replace highway/road right-of-way structures and appurtenances, and any existing facilities located on, over or under highway/road right-of-way, which may be damaged as a result of the installation and maintenance of the Facilities. Applicant shall provide the Town with a bond, in a form acceptable to the Town, in the amount of \$20,000. The bond shall be in effect until 30 days after Applicant has completed installation of the Facilities.
- (E) Applicant shall, ~~within 30 days of the Town requesting to do so,~~ **work with the Town on a timeline that is suitable for both parties to** abandon or remove the Facilities from Town right of way or shall relocate the Facilities at applicant's sole cost and expense.
- (F) Applicant shall provide as built drawings showing the exact location of all Facilities installed within the Town right of way following completion of construction and installation.
- (G) Applicant must obtain permission from the Town prior to performing any maintenance, relocation, or removal of any Facilities after they have been installed.

If the Applicant does not comply with any of the above terms and conditions, the Town may revoke the Facilities permit, and Applicant must remove all Facilities at Applicant's sole cost and expense.
